The Act allows you twenty business days in which to comply with this request. Please contact me regarding anticipated fees associated with this request and I will promptly remit payment. To the extent it is easier for you, we would be willing to discuss receipt of DOCUMENTS in an electronic format. Alternatively, we are open to discussing whether it would be more expedient if we come to EPA's offices to review potentially responsive DOCUMENTS and/or use our own photocopy service to copy certain DOCUMENTS. Please contact me if you have any questions or if I can help to further narrow the focus of your response. Thank you in advance for your time and attention to this matter.

Sincerely,

Rebecca L. Gindi
